Item No. 3.28

To consider the credit earned/course studied by the Ph.D. student of Computer Engineering Department and the status of students pursuing Ph.D. in the Department.

A three-member committee was constituted as follows:

- |                        |          |
|------------------------|----------|
| 1. Prof. C. L. Koul    | Convener |
| 2. Prof. Gopal Agrawal | Member   |
| 3. Prof. R.A. Gupta    | Member   |

The committee will submit the report to the Chairman Senate before 30<sup>th</sup> December, 2005.

Item No. 3.29

To consider the recommendations made by Department of Chemical, Civil and Electrical Engineering regarding waive of course work and comprehensive examination for Ph.D. candidates.

The Senate felt that the Ph.D. ordinances and regulations be reframed. A following committee was constituted to review the ordinances and regulations of Ph.D. programmes.

- |                        |          |
|------------------------|----------|
| 1. Prof. C. L. Koul    | Convener |
| 2. Prof. Gopal Agrawal | Member   |
| 3. Prof. R.A. Gupta    | Member   |
| 4. Dr. A.K. Bhargava   | Member   |

The committee will submit the report to the Chairman Senate before 30<sup>th</sup> December, 2005.

Item No: 3.30

To consider and modify the table no. 3 referring minimum requirement of earned credits for continuation or registration (Page No. 17 of UG regulations)

The starred clause "including credits, if any, earned during Summer Term" be deleted.

Item No. 3.31

To consider and approve the enclosed conversion factors of CGPA in terms of percentage of marks for placement purpose.

The Senate resolved that we may obtain information from other technical institutes such as IITs.

**Item No. 3.32** To consider the academic calendar of Spring Semester 2005-2006.

The academic calendar of spring semester 2005-2006 should be sent to all Heads of the Departments for their comments and same be sent back to Dean, Academic Affairs by 20.12.2005. After receiving the academic calendar from the Departments the Dean, Academic Affairs will finalize it by 22.12.2005 and then will be placed for approval.

**Item No. 3.33** To consider the students of VIII Semesters were having due papers of previous semesters.

The Senate decided that the students of VIII Semester having backlog of previous semester shall be given a special one time chance; only to appear in examination for papers in which they had fulfilled the attendance requirement in their previous semesters. The examination of such papers (even/odd semester) will be conducted in June, 2006. A list of all such students should be prepared by taking information from different departments.

If practical training is pending of some students they can be allowed to register in the VIII Semester provided it is in permissible limit of the credit registration. This is also a one time arrangement.

The Chairman, Senate may approve the list based on information available.

**Item No. 3.34** To consider students of M. Tech. IV semester who are having shortage of credits required for award of M. Tech. degree.

The Senate decided that the students may be informed to do a mini project and submit the report in the respective departments for further processing.

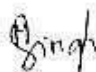

**Item No. 4.0** REPORTING ITEMS

Reporting items 4.1 to 4.8 were noted. In item No. 4.9 - The word "provisional" should be deleted from the item.

The meeting ended with a vote of thanks to the Chair.

## NOTE SHEET

Dated: 07-02-2006

In the curricular structure of M. Tech. programme, the maximum number of credits towards Seminar and Dissertation combined together is 40. Since M. Tech. Seminar carries 04 credits, the maximum credits left over towards Dissertation are 36. In the present curricular structures of the M. Tech. programmes, the number of credits carried by Dissertation varies from 32 to 36.

Proposals are received from the Head of Metallurgical Engineering and Electrical Engineering Departments to increase the number of Dissertation credits from 32 to 36. In view of this it is proposed that the M. Tech. programmes in the curricular structure of which Dissertation carried less than 36 credits, the credits may be increased upto 36 w.e.f. the session 2005-2006 so that the total credits of Dissertation in all M. Tech. programmes will be uniform.

Submitted for kind approval.

May kindly be approved.

Subject: Renewal of registration for completing M.E./M.Tech. III Sem (Full Time)

Reference: In regards of my earlier letters dated 29 June and 07 Sept 2005

Sir,

With due regards, it is submitted that I got registered in M.E (Manufacturing System Engineering) as a regular student in July 1999 in Department of Mechanical Engineering, Malviya National Institute of Technology (formerly MREC) and completed first two semesters successfully in the year 2000 securing 495/900 marks in the first semester and 554/900 marks in the second semester (copies of mark sheets enclosed) Due to some family and acute medical problems of my wife, I could not squeeze out required time for completing the dissertation work. Presently, I am working as a Lecturer in Jaipur Engineering College, Kukas. I have already done good amount of work on my dissertation problem. You know sir that M.E. degree is important for my teaching career and I also want to pursue further studies after completing the M.E.

In my letters referred above, I had requested to kindly renew my registration but I had not received any communication till date.

Kindly obliged me by renewing my registration till spring semester of 2006 as a special case so that I can complete my dissertation, which will be helpful in my future career.

Thanking you sir.

Yours Obediently

Sub: Request regarding granting permission to improve internal sessionals in III semester M.E. in Structures with CAD ( Part Time) course.

Sir,

I am working as superintending engineer in Jaipur Development Authority & I am doing M.E. in Structures with CAD ( Part Time) from M.N.I.T.. I have submitted my Thesis & seminar dissertation and am waiting for my viva-voce.

When I approached Institute for my viva-voce, I learnt that I have failed in the internal sessional in paper ST 105 Computer Aided Designs I (of III semester) where I was awarded 18 marks against minimum required 25 marks. I further learnt that I cannot improve the sessional now since the prescribed time has elapsed.

I humbly submit that I had joined the course in 96-97 and passed the semester exams as follows;

Semester	Year of Examination	Remarks
I	Dec. '96/Jan '97	Passed
II	June/July '97	Passed
III	Jan/Feb '98	Back in internal sessional of paper ST 105
IV	July/Aug '98	Passed
V	June 2003	Thesis and seminar dissertation submitted

I want to submit that I could not know at all that I have failed in the internal sessionals of the aforesaid paper as the declaration of results was late. Further if I could learn of this even before submitting my thesis and seminar dissertation, I would have re-appeared and improved the internal sessional.

Sir, I have passed all other papers and have even submitted thesis, I may kindly be allowed a chance to improve the sessional of paper ST 105 Computer Aided Designs-I. If I am not allowed that, my entire PG degree would get scrapped, therefore, I most humbly request your good self to permit me a chance to improve the sessionals and complete my M.E.

Thanking you sir,

Yours faithfully,

## NOTE SHEET

Dated: 19-01-2006

The DFB meeting of the Department of Metallurgical Engineering was held on 18-01-2006 at 4.00 P.M.

It was decided that "IE-216 Material Science & Technology" Metallurgical Engineering may be offered in both autumn & spring semester as given below:

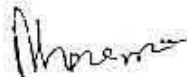

- (i) In Autumn Semester it will be offered to:  
Mechanical + Civil + I.T. + B.Arch.
- (ii) In Spring Semester it will be offered to:  
Electrical + Chemical + Computer + Electronics & Comm.

The same may be discussed and approved in UG Board.

Dean, Academic Affairs.

APPENDIX - C

**Guidelines for Deduction of Marks for Mass Abstention from classes**

A fine of 5 marks for undergraduate students out of the discipline group, will be imposed on each of the students by the Head of the Department on the recommendation of Course Coordinators and Chairman, DUGC, for mass abstention from a class. The maximum fine for a day would be limited to 15. For B.Tech. 1 year students such fine shall be imposed by the First year Class Coordinator. All such fines shall be communicated to Dean of Students Affairs for records. The marks so fined will not be converted into monetary fine.

If the disciplinary marks are exhausted for a student, additional fine of marks would be converted to monetary fine. For the purpose of calculating equivalent monetary fine from marks or vice-versa, one mark shall be treated as Rs. 100/- or the amount approved by the Director from time to time on the recommendation of the Dean of Students' Affairs.

**MINUTES OF THE MEETING OF ALL DEANS AND HEADS OF DEPARTMENTS**  
**HELD ON 04.01.2006 AT 03.00 P.M. IN THE CONFERENCE HALL**

A meeting of all the Deans and Heads of Department was called by the Director on 04.01.2006 at 03.00 P.M. in the Conference Hall. The attendance sheet of the members, who attended the meeting, is enclosed as Annexure-A.

In the beginning of the meeting Prof. R.P. Dahiya, Director welcomed all the members.

The following agenda items were discussed and decisions taken.

**(A) Organization of First Convocation**

The main agenda put for discussion in the meeting was about organizing the first convocation in the Institute in the month of March 2006, as decided by the BOG. It was unanimously resolved that:

1. As per the decision of BOG taken in its 5<sup>th</sup> meeting the convocation of the Institute will be organized in early March 2006 in the Institute campus.
2. The convener of the organizing committee for the convocation will be Dr. Ashok Sharma, Prof. and Head, Metallurgical Engineering Department and Dean, Academic Affairs.
3. The meeting of the Senate will be called before holding the convocation in order to get Senate approval for awarding the degrees.
4. Degrees will be awarded in the convocation to the students passed out during the last three academic sessions, i.e. 2002-03, 2003-04, 2004-05.

A short video show showing the convocation of Indian Institute of Technology, Delhi was also screened during the meeting for the benefit of the members.

**(B) Course requirement for Ph.D. Students**

The research scholars who have completed the requirement of credits earned (8 for M.Tech.; 16 credits for B.Tech. & MCA) for Ph.D. registration are eligible to register for comprehensive examination. For comprehensive examination of Ph.D. scholars there will be one written paper in place of four listed in Ph.D. regulations of the Institute and an oral presentation of the proposed Ph.D. plan will be made by the student in front of the DGC for approval.

**(C) Academic Calendar of the Institute**

1. It was decided that all the Deans/HODs can give their suggestions about academic calendar so that the revised academic calendar may be brought out soon in the final form.
2. It was suggested by the Director that the list of the Examiners for M.Tech. be extended to include faculty members from various IITs, Central Universities and other Academic and Research Institutes.

The meeting ended with a vote of thanks to the Chair.
