<p><i>Item No. 45-2.1</i></p>	<p><i>To consider the recommendation of DPGC of Department of Electronics & Communication Engg. regarding change of external joint supervisor of Mr. Prem Kumar (2016REC9535).</i></p> <p>Mr. Prem Kumar, off campus research scholar (ID 2016REC9535) is registered in the Department of Electronics & Communication Engg. under the supervision of Prof. D. Boolchandani, MNIT Jaipur. His External Co-supervisor Dr. Kamaljit Rangra (Chief Scientist) at CSIR-CEERI, Pilani has superannuated from CISR-CEERI, Pilani. <i>Item No. 45-2.4</i>	<p><i>To consider the proposal of DPGC (DMS) regarding revision in the minimum CGPA requirement for promotion to the next semester.</i></p> <p>A proposal has been received from the DPGC, Department of Management Studies (DMS) that “As per the decision of the last Senate meeting, a minimum of 6.0 CGPA is required for the award of PG degrees at MNIT Jaipur. However, students can still be promoted to the next semester even if they are having SGPA/CGPA of 5.0 or more - students with CGPA between 5.0 and 5.5 can be promoted to next semester with warnings based on recommendations of respective DPGC, those with CGPA between 5.5 and 6.0 can be promoted normally). It becomes very difficult for a student who has secured a CGPA of around 5.0 to go on and secure 6.0 at the end of four semesters, which is the duration of most of the PG programs at MNIT Jaipur. This creates a peculiar problem where a student has passed all courses he/she had registered in, yet not qualifying for the award of the degree.”</p> <p>DPGC (DMS) proposed that the minimum CGPA requirement for promotion to the next semester may also be revised to 6.0, with a provision to be promoted (with a warning) with a minimum CGPA of 5.5 for the first two semesters only.</p> <p>SPGB decided to refer the matter to the newly committee constituted for the matters regarding various types of delays/gaps for which the UG/PG regulations are unclear.</p>

Student has completed 03 year duration in his Ph.D. program. Now as per the request of the student, the DPGC has recommended for change of his supervisor.</p> <p>The DPGC has recommended Dr. Anoj Meena, Assistant Professor, Department of Mechanical Engineering as new supervisor of Mr. Ram Kumar Yadav. The consent of both supervisor(s) is also submitted along with the application.</p> <p>As per 33rd Senate under item no. 33-3.12 for amendment of sub clause 7 of clause 9.1 “Normally there shall not be any change in supervisor(s) once assigned. In special cases change of supervisor(s) shall be permitted based on</p>

	<p>the reasoned recommendation of DPGC, SPGB and with approval by Chairman Senate”.</p> <p>SPGB approved the change of supervisor of Mr. Ramkumar Yadav (2017RME9039).</p>

The Senate Undergraduate Board (SUGB) has received the proposal from Convener DUGC, Department of Management Studies regarding the changes in **Basic management (BMT499) course** offered in various branches of engineering in IVth year:

1. The course syllabus as well as credits should be revised. It is a 4 credits (L-3, T-1, P-0) course now, which may be 3 credits (L-3, T-0, P-0) because the theory classes itself cover management case study discussions and exercises therefore separate tutorials are not

recommended for this course. The course syllabus briefly covers few specializations of management, which may be redesigned by shifting more focus on "fundamentals of management".
